9.f Discussion - Deduct Meter Information
Deduct Meter Information.pdf

The Water Superintendent explained the process of installing a deduct meter and the time associated with maintenance work.

President Anderson suggested that the meter be Village owned, there should be an installation fee with a one time install and recurring costs for the administrative burden and the maintenance; if it is not operating properly that there would be no deductions given until the meter is fixed.

Fee and Fine Schedule needs to be created prior to going forward with the process.
