Mark,
While I could be mistaken, I believe the Village has a planned walkway under Highway 76 near the existing pond, south of Ellis.
Perhaps that should be communicated with Bernie and the neighborhood.

Thanks - Tim

Subject: Savannah Heights addition meeting

Hello Tim,
I live near the corner of Hwy 76 and Design Dr..
I see families and school children dart across Hwy 76 at Design Dr. daily. Just a matter of time for an accident to happen.
Have you incorporated a solution into your plan? Perhaps a sidewalk on east side of 76 from School Rd. to Design Dr.. let them cross at round a bout.

You are placing a nice pond and nature area in the plan. But looks like no one will see it unless they buy a bordering lot. Consider letting one lot open for public viewing.

Please share with Mark, Village Planner. I can't be at meeting.
Thank you.
