

PLANNING COMMISSION MEETING MINUTES

DATE: Wednesday, November 13, 2024
TIME: 5:00 PM
LOCATION: Greenville Fire Station, W6914 Parkview Drive, Greenville, WI 54942

OPENING

1) **CALL TO ORDER/ROLL CALL**

PRESENT: Jack Anderson, Nathan Treadwell, Michael Simonds, Blake Bomann
EXCUSED: Brittany Helf, Leanne Meidam-Wincentsen, Fred Rose

2) **PUBLIC HEARINGS**

2.a **Public Hearing regarding proposed amendment of the boundaries and Project Plan of Tax Incremental District No. 1.**
Project Plan - 11.4.24.pdf

Motion by Michael Simonds, second by Nathan Treadwell to close the Public Hearing regarding proposed amendment of the boundaries and Project Plan of Tax Incremental District No. 1. Motion carried 4 - 0/ None.

3) **PUBLIC COMMENT FORUM**

Maria DeBont; N295 Island Road; nuisance complaint, vehicles and wood piles on neighbors property.

Motion by Jack Anderson, second by Michael Simonds close the Public Comment Forum.
Motion carried 4 - 0/ None.

BUSINESS AGENDA

4) **CONSENT AGENDA**

4.a **Approval of the October 9, 2024 Meeting Minutes.**
20241009_PCminutes.pdf

Motion by Blake Bomann, second by Nathan Treadwell to approve the Consent Agenda. Motion carried 4 - 0/ None.

5) **UNFINISHED BUSINESS FOR DISCUSSION & POSSIBLE ACTION**

6) **NEW BUSINESS FOR DISCUSSION & POSSIBLE ACTION**

6.a ITEM WITHDRAWN BY APPLICANT Conceptual Site Plan for Circle K for property located at N1379 & 1381 Greenwood Road, Parcels 111057400, 111057402, and 111057403.

Memo - Concept Plan.pdf

Aerial Map.pdf

Circle K - Greenville WI Hwy 15 & Greenwood - CSP 3.0.pdf

No discussion was held or action taken on this item. Resident correspondence attached.

6.b Discuss/Consider/Act on "Resolution Approving an Amendment to the Project Plan and Boundaries of Tax Incremental District No. 1".

Memo - TID #1 amendment.pdf

Project Plan - 11.4.24.pdf

Resolution No. 47-24 PC TID #1 amend Project Plan and Boundaries.pdf

Motion by Jack Anderson, second by Nathan Treadwell to approve Resolution Approving an Amendment to the Project Plan and Boundaries of Tax Incremental District No. 1. Motion carried 4 - 0/ None.

6.c Discuss/Consider/Act on Resolution 41-24 Approving a Certified Survey Map for N1049 Mayflower Drive, Parcel 111088300.

Memo - CSM.pdf

Aerial Map.pdf

CSM.pdf

Resolution No. 41-24 CSM Parcel 111088300 (Design Dr).pdf

Motion by Jack Anderson, second by Michael Simonds to approve Resolution 41-24 Approving a Certified Survey Map for N1049 Mayflower Drive, Parcel 111088300. Motion carried 4 - 0/ None.

CLOSING

7) **ANNOUNCEMENTS & FUTURE MEETING DATES**

December 11, 2024

8) **ADJOURNMENT**

Motion by Michael Simonds, second by Blake Bomann to adjourn at 5:17pm. Motion carried 4 - 0/ None.

Wendy Helgeson, Village Clerk

Subject: Possible Circle K Gas Station/ Convenience Store

Dear Mark Mommaerts, Jack Anderson, and The Planning Commission,

I understand Circle K Stores Inc. is interested in locating on the northwest corner of Hwy 15 and Greenwood Road on property currently zoned R2 Two-Family Residential. I would like to comment on the feasibility of the location.

In October 2020 Greenville adopted new Zoning Ordinances as recommended by the 2040 Comprehensive Plan adopted in 2019 after significant community input and planning efforts to help direct the future of our community. In the following years, Greenville completed a comprehensive rezoning process to reflect this plan and the GIS tool is the current and complete resource to view this data. This proactive approach to long term planning allows our community to anticipate the future growth and development and allows residents, homeowners, and future buyers make personal decisions accordingly.

I oppose re-zoning this R2 Two-Family Residential property to a commercial property. The change is outside of the comprehensive plan developed by our leaders and community. I oppose deviating from this plan, especially when there are other appropriately zoned sites available.

This proposed use is detrimental to the comfort and general welfare of the adjacent residential property owners and the users of the roads, sidewalks, and infrastructure of the surrounding area, intended for residential use.

Each proposed pump at a gas station generates about 100 to 130 new trips per day. A convenience store generates 800 to 1,200 trips per day per 1,000 square feet. A 2,000 square foot store with ten pumps would generate around 3,150 trips per day.

Underground storage tanks used for petroleum can present risks to local residents and the environment. There are already 5 gas stations within 1.6 miles of this location; why introduce more risk to our community in this residential area? <https://www.epa.gov/sites/default/files/2016-05/documents/2016-01.pdf>

This development would certainly diminish and impair surrounding residential property values. In one study, homes closest to gas stations in suburban communities sold for 15-19% less. <https://www.locatealpha.com/insights/the-gas-station-effect/>

This development would change the look from a residence with a yard, trees, and open space to the clutter of a gas station including fueling system equipment, dispensers, canopies, commercial lighting, monitoring systems, a car wash, and other expected commercial equipment. Additionally, a gas

station/convenience store would drive additional noise and light (vehicle lighting) into the surrounding neighborhood and residential properties.

For example, tire air guns produce a noise level of 104 dBA, an accelerating diesel truck emits 114 dBA and even 100 dBA while idling.

This use does not align with the 2040 Comprehensive Plan or further the goals of the plan identified by the community. <https://cms3.revize.com/revize/greenvillenew/Comprehensive%20Plan%202040.pdf>

This use impedes the normal and orderly development and improvement of the surrounding properties. I doubt existing homeowners would choose to remodel and improve their property when it will become very difficult to recoup costs upon re-sale.

The existing facilities including access roads are not setup for this type of ingress and egress. The intersection of Hwy 15 and Greenwood Road is very busy during morning and evening commute times. At times, there can be 8-10 cars in que on Greenwood Road, waiting to enter the Hwy 15 intersection. That would block any gas station/convenience store driveway. During these same times of day, while heading East on Hwy 15, it is very difficult to make a left turn onto Greenwood Road (to the North); at times, I've waited 2-3 rounds of traffic signals to safely make the turn. This development would further the traffic congestion in this intersection.

In summary, I believe the northwest corner of Hwy 15 and Greenwood Road is an inappropriate and undesirable location for Circle K Stores Inc. to locate. I am against re-zoning the property which would be in direct conflict with the 2040 Comprehensive Plan. I am in support of commercial and industrial development in Greenville and hope to see Circle K Stores Inc. explore other sites already zoned for this type of development.

Thank you,

Cassie Calbaum

Subject: Circle K

Mark Mommaerts,

I am writing you regarding the proposed Circle K gas station.

We have seen many changes in Greenville, since we moved here in 1988.

When we moved here, there were horses grazing behind us, since there were no speed limits, you could go 55mph on Greenwood Road. We had no city water, no sidewalks, a couple of bars for food. Only the Co-op for a gas station.

Oh my, how things have changed. We have restaurants and gas stations and businesses that were not even dreamed of in 1988. I think the population was in the 3,000's. Yes, much has changed, most of it for the better, but this new planned convenience store/gas station is unnecessary, at least on Greenwood Road. There is one gas station within walking distance and another only a mile or two down the road. If that company wants a business in our village, maybe farther to the west would be better, near the John Deere dealer.

As a resident on Greenwood Road, I do not want the real estate on the corner of Greenwood Road and Hwy 15, to be turned into something that will change the neighborhood, and NOT for the better. This development will cause more noise, more traffic, more unnecessary street lighting, lower property values and probably more things I cannot think of at this time.

I ask the town to reconsider rezoning the property, and leave this corner in the Village of Greenville as it is now.

Thank you,

Diane Wilken

N1444 Greenwood Road
